Such as management in the hostel, *Gruhpati mandal, vidya mandal,* students' participation in the off-campus co-curricular programmes, *adhyapak mandal*, board of studies, academic council, governing body, examination committee, finance committee, moderation committee, evaluation committee etc.

6.1.2 Does the institution have a Management Information System (MIS)?
 Yes/No/Partial:

 yes

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following **:**

- ❖ Curriculum Development : from the year 2016-17 we have introduced 2 major subjects in BRS. (1) Organic farming and (2) Human resource development. While in MRS we have introduced 5 new courses such as 10 Corporate social responsibility, Agri. Business, Entrepreneurship, Rural infrastructure and sustainable agriculture etc.

- ❖ Teaching and Learning : there are some practices for teaching and learning quality improvement.
  1. Correlation of teaching with the field/labour work
  2. Practical work in the actual field i.e. research station, nursery, farm, dairy, gaushala etc.
  3. Educational tour
  4. Work experience for TY BRS
  5. Use of ICT facilities
  6. Subject oriented tours
  7. Progressive farmers' visit

	8. Extension activities
	9. Periodical tests and short exams
	10. Assignments and term papers
	11. Seminars and assembly presentation
❖	Examination and Evaluation : we have implemented many exam reforms recently. All the exam hall are equipped with CCTV cameras. There is a examination committee, which is monitoring all exam procedure through out the year. We have transparent examination system. We also allow the students to see their answer sheet of the internal exams. If any problem is raised, examination committee is held to solve it. Every decision of the committee is send to student's parents also.
❖	Research and Development : There is a well established Wheat research station on the campus. Every student is going through the research procedures. Major subject of Agronomy are fully connected with the research process. The students are carrying out all procedure of the research ubder the guidance of the Research scientist. Recently, a work on Soyabean research is also started.
❖	Library, ICT and Physical Infrastructure / Instrumentation : The institute has a well developed library with more than 60,000 books in it. We always add new arrival books, magazines and journal into the library. The internet facility is also provided to the students, so that they can search their important topics from it. The institute is trying to increase physical infrastructure every year. We have developed the class room with the ICT facilities. The smart board is also installed in many class rooms.
❖	Human Resource Management: The institute is very serious regarding human resource management. We have added Human resource development subject into our syllabus. Every year 8 to 10 students are allotted this subject. The overall workloads of the faculties are balanced. So they do not have more pressure in their work. The institute also appreciate the work of remarkable achievement of the faculty time to time. There is no requirement of the punishment at any level. But we believe in humanistic approach with the staff and the student as well.
❖	Industry Interaction / Collaboration: Many NGOs and companies of pesticides ,seeds, irrigation and fertilizers are our students' employer. We arrange students' on campus placement programme every year.
❖	Admission of Students : Admission of the students are purely on the merit basis. We publish our advertisement on popular news papers and institute's web site. After the result of 12th exam the admission process is started and within 20 days we make the merit list. The institute is giving more emphasis on girls education. So we are increasing the number of girls admission. The student can download the Performa of the admission and can upload their application for the admission in the MRS.
6.2.2 : Implementation of e-governance in areas of operations:	
❖	Planning and Development : Every faculty and non-teaching staff are knowing computer operation for their routine works. They use

internet, email, web sites, SMS etc. For their progress report and feedback. Majority of the faculties have facilitated with the computer facilities. There are also an internet facilities has been provided in the library and the computer laboratory for the faculties and students.

- ❖ Administration : the use of internet and computer programmes are introduced before many years for the administration purpose. Paperless communication is always preferred by the institution. So we use Computer and internet based services in the administration. We have also developed a software for the marksheet preparation at U.G. and P.G. level.

- ❖ Finance and Accounts : there is a regular audit system in the institution for the financial matters. We have internal auditor for the regular follow-up of the financial situation. We use PROFIT software for the financial work. Thus all the accounts are well prepared in a proper manner by using suitable software for it.

- ❖ Student Admission and Support : We invite the application from the students interested for the admission in the institution. We select the students on the basis of their merit at Higher secondary level. We publish an advertisement in the popular Gujarati dailies for new admission. Students can also download the admission form from our website and send it after fulfilling the detail with the required documents. While in MRS, the student can apply online for the admission.

- ❖ Examination : as we have autonomous status, our responsibilities are much more regarding to the examination. We have transparent examination system. There is regular internal and external evaluation of the students. We allow the faculties to develop their own special evaluation system as per the subject requirement. There are well established CCTV camera at the time of examination.
